Telephone: 01945 584244

Sec: Mrs Lynn Mason No. 5
Telephone: 01945 583249

10th February 2017

Dear Members

Firstly the Committee would like to thank you all for your vote of confidence in re-electing us to continue to represent your views to Countrywide and other parties.

Please find attached a copy of the minutes of the Annual General Meeting, held 09.02.2017, should you have any comments to make about them please either email the chairman, or me. If you do not have an email then please complete the attached and drop in either to the chairman or me.

As our Treasurer stated at the meeting, most of the expenditure last year was on stationery and ink for the printing of the letters etc, especially the news letters, constitution, minutes etc. Fortunately this year we do not have to print the constitution again, but you will see from the number of pages in the minutes, and this letter, quite a lot of paper and ink has been used. So, therefore as requested we would like to reduce this by sending future correspondence via email with the corresponded as a word attachment , in order to achieve this we have added a section on this news letter for you to complete and drop into either the chairman or myself. We would also like to update our membership list and therefore would ask if you would let us have your phone number so that we have a complete record of members. This information will not be made public and will only be known to committee members.

We are pleased to be able tell you another of the members who resigned due to the rumours has today confirmed they wish to be a member, so this now means that we have 30 homes of the 39 on site as members of the association.

Unfortunately I missed an item under AOB which I am now including in this news letter.

As I am sure many of you will have noticed one of our residents had a passion for Sun Flowers last year, and it has been suggested that it might be fun to have a sun flower competition on the park to see who can grow the tallest plant. Mary at No. 8 is prepared to start the seeds off to plant stage and then pass them on to anyone who is interested in taking part. Also as my husband has several gardening books a week which come with free seeds, Mary and I are happy to grow these for use in hanging baskets or planters, and if we do not get a positive response from Countrywide regarding the end gardens we could use these plants and seeds to tidy up the gardens. There would be no cost involved to anyone as the seeds are free. If any other keen gardener would like some seeds or would like to join in growing seeds please let me know.

In order for this to be carried I have included a section on the return slip for members to vote in order that we comply with constitution and mobile home act requirement.

Can we once again remind members that all news letters, minutes, constitution, and correspondence to Countrywide can be found on our designated web site and also we have a designated face book page, and Roger our web master is more than happy to post any items on the web page so please if you are able to look or post any items, the address of both of these is to be found on this letter.

Once again we would like to thank you for your vote of confidence in your Committee.

Regards

Lynn Mason (Secretary)
